TRAININGS

RESSOURCE TRAINING
COLOR TRAINING

RESSOURCE TRAINING

Would you like to learn more about Ressource products and our application techniques?

Whether you're a new distributor or a customer looking to expand your technical knowledge, this special opportunity to meet and talk with our experts will give you the opportunity to review the following points:

- Immerse yourself in Ressource DNA and its history.
- Improve your knowledge of Ressource paints.
- Apply Ressource products to improve your skills.
- Share your experiences in the field.
- Discover all our tips to boost your sales.
- Visit the manufacturing plant.

Practical information

- 3 days of training
- In a host house in the heart of the Cévennes
- Limited number of places
- Price: 1 500€ excl. taxes

To register or request further information, please fill in the agreement available on your [Pro Space](#) and contact your Ressource representative directly.

Training presentation video

See next sessions

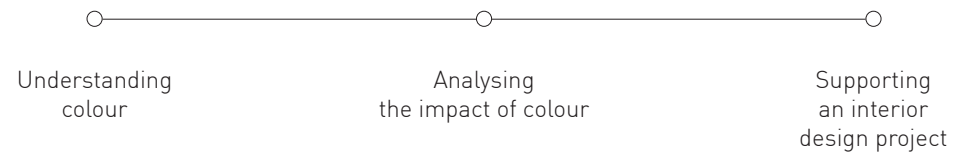

COLOR TRAINING - ONLY AVAILABLE IN FRENCH

Would you like to learn more about color?

Ressource has put together a comprehensive training programme to help you understand color in general and create harmonies tailored to your customers' needs and desires. This privileged moment of meeting and exchange with our Expert Color Designer will enable you to look at the following points:

- Understanding color.
- Analysing the impact of color advice.
- Supporting an interior design project using shade harmonies.
- Using tools (color wheel, color charts, samples).
- Discuss your experiences in the field.

Practical information

- 1 day of training (9am-5pm)
- In our Lyon showroom or by videoconference
- Limited number of places
- Videoconference: 480€ incl. taxes / In-person: 660€ incl. taxes

For further information, please contact your Ressource representative. You can register directly on our website ressource-peintures.com

Presentation videos of the videoconference and in-person trainings
